

ARYAN KUMAR RANA

B.Tech CSE-AI Student | Aspiring Software Developer

Phone: +91-7250380732 | your-aryankumarrana35@gmail.com | linkedin.com/in/aryan-kumar-rana-88524a31a

PROFILE

Third-year B.Tech CSE-AI student interested in software development, web development and AI. Hands-on learner who builds practical projects with HTML, CSS, JavaScript and Python, with a focus on clean interfaces, problem solving and continuous improvement. Seeking software development or internship opportunities to apply technical skills in real-world projects.

TECHNICAL SKILLS

Programming: C, Java, Python

Web: HTML, CSS, JavaScript

Tools: VS Code, Git, GitHub

Areas: AI/ML fundamentals, Responsive Web Design

PROJECTS

Jarvis Voice Assistant

Python | Speech Recognition | AI

- Developed a desktop voice-assistant concept inspired by Iron Man's Jarvis. Designed the project around voice input, command processing and automated responses, with scope for adding system controls and API integrations.

Personal Portfolio Website

HTML | CSS | JavaScript

- Designed a responsive personal portfolio with sections for profile, skills, projects, education and contact. Focused on a clean developer-oriented UI, responsive layout and lightweight JavaScript interactions.

Rakhi Website

HTML | CSS | JavaScript

- Created a personalized interactive website for a family celebration, using responsive layouts, image galleries, messages and user-friendly navigation.

EDUCATION

B.Tech — Computer Science & Engineering (AI) | 2024 – 2028

Your budge budge institute of technology, India | CGPA: 7.7 / 10

Higher Secondary (12th) — Inter Science College | Year: 2024

Matriculation (10th) — Mount Egmont School | Year: 2022

COURSEWORK / AREAS OF INTEREST

- Data Structures & Algorithms
- Object-Oriented Programming
- Operating Systems
- DBMS
- Artificial Intelligence • Web Development

ACHIEVEMENTS & ACTIVITIES

- Academic project development and practical learning in CSE-AI subjects.
- Interested in hackathons, software projects and building real-world applications.
- Continuously improving programming, DSA and development skills.

ADDITIONAL

Languages: Hindi, English | Availability: Internship / Entry-level opportunities
